

## Counseling Tools

1. Go to <http://www.undergrace.org/counseling>, and under Tools, click on “Individual Counseling Tools”. You will see this screen.

2. Enter the password provided by your counselor and you will be taken to the Counseling Tools page.

3. You will have free access to the PDF documents to download as your counselor requests, and below the PDF section, you will see the talks (audio recordings) available for sale.

When purchasing Audio recordings individually, files must be downloaded to a computer for listening. Once downloaded, they may be burned to a CD or transferred to your player app on your mobile phone. Should you prefer to listen to the audio recordings from our website, you may choose to purchase the Counseling Tools Package. To learn more about this package, click [HERE](#).
